---

## Work Experience

### Lead Architect and 3D Visual Artist | PK Architects

*December 2021 - November 2023 | Beirut, Lebanon*

#### AsiaCell Headquarters | Baghdad, Iraq

- Worked with and led a multidisciplinary team of 5 architects and interior designers.
- Designed the facade renovation, landscaping, lobby circulation and entrance proposals.
- Developed and presented comprehensive design proposals, including 3D visualizations and 2D drawings for facade renovation, landscaping, lobby circulation and reception.
- Prepared execution drawings, 3D renders and presentations for multiple residential villas in France and Kuwait.
- Mentored junior architects and 3D visualizers, fostering a collaborative team environment and enhancing workflow efficiency.
- Managed and executed multiple projects simultaneously, ensuring all deadlines were met while maintaining design standards and client expectations.

**Skills:** *AutoCAD, Revit, Sketchup, V-ray, 3ds Max, Adobe Suite, Lumion, D5, Microsoft office, Drafting, 3D Modeling, Rendering, Communication and Management, Research and Teamwork.*

### Freelance Architect

*December 2022 - Current | Beirut, Lebanon*

- Surveyed and worked on technical reports to assess damage for multiple schools in the south of Lebanon post war/ceasefire in order to suggest restoration procedures.
- Submitted As-Built documents for a restoration project for a damaged heritage house.
- Developed 3D exterior and interior renders for a container housing/resort project proposal.
- Managed and worked on a branding strategy for a leatherworks startup.
- Managed, directed and executed architecture, fashion and jewelry photography shoots.

**Skills:** *AutoCAD, Revit, Sketchup, V-ray, 3ds Max, Rhino, Adobe Suite, Lumion, D5.*

### Volunteer Assistant Instructor | Lebanese American University

*December 2021 | Beirut, Lebanon*

- Mentored second year students on architecture drafting on an intermediate level.
- Assisted in class corrections and juries.

### Internship Green Buildings & LEED GA Training | LAU and Eco Consulting

*June 2020 - July 2020 | Beirut, Lebanon*

- Undertook 15 seminars offered by Eco Consulting covering Green Building and LEED practice and reported on a project to fit LEED guidelines.
