Web-based calculator.

Web-based Rock-Paper-Scissors

JUNE 2022 — JUNE 2022

Compete against a bot in a best-out-of-5 match.

Employment History

Private Tutor, Middle School Students

2014 — 2020

- Tutored multiple low-performing students in scientific and literature course materials.
- Tracked learning progress in order to identify opportunities to enhance tutoring methods and help students attain a better understanding of the material.

- Delivered personalized educational, behavioral, and emotional support to individual students to enable positive learning outcomes.

Scout Camp Counselor, Local Scouts

2015 — 2017

- Held after-class sessions to help teenagers with their studies and personal inquiries.
- Performed clerical duties, including registering participants and reporting all information related to their activities.
- Managed scheduled sports events to maximize activities and attendance.
- Resolved conflicts that arose between campers by guiding them to walk through their issues.
- Instructed participants on activities' goals, procedures and safety considerations to promote beneficial outcomes for all campers.
- Devoted special emphasis to punctuality and worked to maintain an outstanding attendance record and the highest level of participation.

High School Robotics Team Coach, Al-Mahdi High Schools

2016 — 2017

- Taught students how to plan, build, program, and implement missions for the 2017 FLL competition.
- Managed the team's science project by assigning roles and deadlines, and directing the content.
- Ensured smooth teamwork and helped resolve interpersonal issues. Monitored members' work to ensure and motivate progress, and filed weekly reports to the school.
- Attended meetings with other coaches and teams to exchange experiences and expose members to the benefits of cooperation within a competitive environment.
