RAYANE HAJJAR

FULL STACK WEB DEVELOPER

Lebanese • +96171582216 • rayanehajjar@outlook.com • **LinkedIn**

As a dedicated Full Stack Web Developer with over two years of hands-on experience, I possess a comprehensive understanding of the entire development cycle. My expertise spans multiple programming languages, providing me with the flexibility to tackle diverse projects. However, my passion lies in the JavaScript stack, which I favor for its versatility, performance, and vast ecosystem. My proficiency in both front-end and back-end technologies enables me to deliver high-quality solutions.

AREAS OF EXPERTISE

- Full Stack Development
- JavaScript and PHP Ecosystems
- Database Management
- API Development and Integration
- Responsive Design
- Version Control
- Testing and Debugging
- Agile Methodology
- Monolithic and Micro-services Architectures
- Critical Thinking and Problem Solving
