### PROFESSIONAL EXPERIENCE

---

#### Smart College

Business Studies Teacher

**Tyre, Lebanon**

*September 2024-Present*

- Integrated technology in the classroom through interactive tools and online resources, enhancing student engagement and boosting overall class grades by 10%.
- Successfully integrated advanced AI tools and online learning platforms into the classroom to enhance student engagement and improve digital literacy skills by 10%. This involved the selection and implementation of AI-driven educational software that personalized learning experiences, automated routine tasks, and provided real-time feedback to students.

English Teacher

*September 2021-June, 2024*

- Developed and executed teaching strategies that integrated technology, including interactive online platforms, virtual classrooms, and collaborative digital tools. This approach significantly boosted student engagement, leading to a 25% increase in participation. Leveraged tools on platforms such as e.g. Zoom, E-school Connect, and Microsoft Teams to create interactive lessons, facilitate group work, and provide instant feedback.
- Created and executed lesson plans that were suited to various learning requirements, increasing overall student performance on assessments over three years.
- Implemented structured presentation exercises in the curriculum, which improved students' public speaking skills and confidence.

#### Smart Center

Tutor

**Tyre, Lebanon**

*October 2020- August, 2021*

- Created tailored tutoring sessions to meet each student's unique needs and learning style, improving academic performance by 15%.
- Provided expert guidance in subjects such as mathematics, science, and English, leading to an average grade improvement among students tutored.
