📍 Beirut, Lebanon

📅 01 May 2000

Education

Computer And Communication Engineering

University of Saint Joseph (USJ)

Sep 2018 – present

Expected Graduation:

June 2023

GPA: 3.4

High School Diploma

*College Mariste
Champville*

Sep 2004 – Jun 2018

Skills

Python	● ● ● ● ●
C++	● ● ● ● ●
SQL	● ● ● ● ●
Unix	● ● ● ● ●
Wireless Network	● ● ● ● ●
Arduino	● ● ● ● ●
Network Design	● ● ● ● ●
Kali	● ● ● ● ●
Ethical Hacking	● ● ● ● ●

Professional Experience

Member

IEEE USJ Club

Sep 2018 – present

Internship Internet Of Things

University OF Saint Joseph

Jun 2021 – Aug 2021

- Learning the world of internet of things and its importance in the technology environment using many skills acquired in the university

Multidisciplinary Project at USJ

Water quality Management

Mar 2022 – May 2022

- Implementing a water quality system using Arduino with different sensors.
- Utilizing MQTT protocol to transfer the data.
- Using NODERED dashboard and database to display the results

Telecom Internship

Dar Al Handasah Shair and Partners

Jul 2022 – Aug 2022

- Structured cabling network.
- Data Communications network design.
- Wireless network design.
- Designing a fiber optic network.
- Implementing IOT sensors in smart offices and cities.

Cyber Threat Intelligence Internship

POTECH - Path of Technology

Oct 2022 – Dec 2022

- Exploring the world of cybersecurity.
- Learning tools for ethical hacking

Certificates

- Cisco – Introduction of Cybersecurity
- Cisco – Routing and Switching
