

ABED KARIM C. NASREDDINE

Ali ElHajj Street, Qmatieh, Mount Lebanon, Lebanon
Mobile: + (961) 71101182, E-mail: asn15@mail.aub.edu

OBJECTIVE

Seeking a full-stack web development or IT internship position with your reputable company that will utilize my problem-solving, analysis, and leadership skills.

EDUCATION

2018 - 2021

American University of Beirut

- ◆ Third Year E3 in **Computer and Communication Engineering**.
- ◆ Already acquired my minor in **Business Administration** after enrolling in all courses required.
- ◆ Overall GPA: **82/100**.

WORK EXPERIENCE

2017 - 2018

Game Development

Created a mobile game app on Unity

- ◆ Hired a freelancer from China and worked with him hand-in-hand to create a mobile game called "Orbit". I've mainly dealt with design and some coding.

2019 - 2021

Entrepreneurship Club Cabinet Member

Positioned as a "Member at Large"

- ◆ Enrolled for a "Member at Large" position in the AUB Entrepreneurship Club hosting various tech-oriented events featuring highly reputable entrepreneurs from across the world.

2019 - 2020

AUB Outdoors

Member of the Concert Team

- ◆ Worked on-site and hand-in-hand with my colleagues in the concert team.

2020 - 2021

We Grow Minds

Web Developer

- ◆ Worked as a web developer at a well-established startup company whose founders, Mr. Hadi Al Harawi, Dr. Mona Zoughaib, are ex-professors at AUB.

Summer 2021

Mannai Corporation (Microsoft Department)

Full Stack Web Developer

- ◆ Worked as a full stack web developer at the largest tech company in Qatar.
- ◆ Built single page applications using "React" Framework with a professional team having 10+ years of experience.

EXTRACURRICULAR ACTIVITIES

2017 - 2021

Audio Engineering / Music Production

- ◆ Enrolled in Audio Engineering and Sound Design courses online on Udemy to enhance my capabilities in mixing and mastering.
- ◆ Built strong connections with very famous producers in Lebanon like Rodge, Anthony Keyrouz, and many others.
- ◆ Worked as an FL Studio and Ableton Live Freelance teacher with over 50 students and released many professional tutorials on YouTube.
- ◆ Worked as a freelancer for preparing professional music studios completely from hardware to software.
- ◆ Worked as a freelance mixing and mastering professional with clients from all over the world.
- ◆ Currently releasing music on one of the most leading deep house labels in the world, "Sound of Soul".
- ◆ Piano player since childhood.

2018 - 2021

Trading Forex and Stocks

- ◆ Enrolled in forex and stock trading courses online on Udemy and active attendee of all events enrolled by AUB Investment Club.
- ◆ Currently investing with around 3% return per month.

AREAS OF EXPERTISE
