## **EDUCATION**

---

- **Mechanical engineering diploma, specialty Mechanical engineer in Integrated Design-Process product course (2017-2021)**

Conservatoire Nationale des Arts et des Métiers (CNAM)-Lebanon

- Master's degree in industrial engineering (2020-2021)

(Overall grade point average 16.33 over 20)

- **Establishment diploma, senior technician in industrial science and technology (2020)**

Conservatoire Nationale des Arts et des Métiers (CNAM)-Lebanon

## **University project**

---

- **Mechanical engineering thesis**

Study and design of a core cutting line in Matelec Group gherfine (2021)

- Mechanical concept
- Pneumatic concept
- Hydraulic concept
- Structure analysis
- Technical maintenance plan
- Financial study
- Industrial drawing (2d and 3d) on SOLIDWORKS and AUTOCAD.

This project was highly appreciated and took a grade of 17 over 20.

- **Probationary oral**

Study and design of a Belt conveyor (2020-2021).

- **Lean management project (2020)**
- **Plumbing project (2018)**

## **PROFESSIONAL EXPERIENCE**

---

- **Société ZEGHONDY POUR LE COMMERCE-Amchit Lebanon (Mars 2019-November 2020)**

Training in automobile maintenance department

- Quick service
- Full service
- Scanner
- Engine oil change
- Gear oil change
- Brake change
- Battery change
- Filter change
- Engine box assembly and disassembly

- **HYUNDAI Century Motor Company-Jbeil Lebanon (September 2018-February 2019)**

Training in automobile maintenance department

## **EXTRACURRICULAR ACTIVITIES**

---

- **Medivet Veterinary Hospital Amchit Lebanon (July 2016-October 2018)**

Secretary and responsible for financial issues

## **SKILLS**

---

- Languages: Arabic (Native), French (Fluent), English (Fluent: C1 Level on LINGUASKILL test).
- Technical Skills: Microsoft office (PowerPoint, Word, Excel), MATLAB, GEOGEBRA, AutoCAD, SolidWorks, Inventor, SURFCAM, Robot Structure Analysis.
- Soft Skills: Creativity, adaptability, teamwork, persuasion.
