## Work experience

### 2019-present:

#### Agricultural production

Took my inherited land of around 20 000 sqm designed its watering system and managed to increase its production maintaining high quality and increased revenues delivering it to the local wholesale market.

### 2016-2019

#### Private tutor

Conducted many private sessions for students from grade 9 to grade 12 and first year of university. Helped them prepare for their exams.

### 2017-2019

#### Head waiter

##### Girafe Restaurant

Lead by example my team to a successful summer season. Helped the new trainees integrate the team and taught them the fundamentals.

### 2015-2017

#### Waiter

##### Jalsat restaurant

Helped run the restaurant smoothly. Took orders and learned how to run such an establishment.
