PROFESSIONAL SUMMARY

A highly motivated 3rd year mechanical engineering **honor** student with a minor in business. Accumulated successful achievements by: promoting ASME club as its 2nd year representative, winning the NGO ECOSEV competition and being one of the finalists in the Dawerr Berytech competition.

EDUCATION

B.E. IN MECHANICAL ENGINEERING, LEBANESE AMERICAN UNIVERSITY, **2019-PRESENT**

CGPA 3.78, placed in the Dean's distinction list, minoring in Business.

Enrolled in the Honors Program.

FRENCH AND LEBANESE BACCALAUREATE, GENERAL SCIENCES, COLLEGE MARISTES N.D. LOURDES

Ranked first in my senior year, **2005-2019**.

EXPERIENCE

SEPTEMBER 2021- PRESENT

TUTOR OF THERMODYNAMICS, LEBANESE AMERICAN UNIVERSITY

- Improving the performance of students who have academic challenges in the thermodynamics course.

AUGUST 2021

MECHANICAL ENGINEERING INTERN, INDEVCO SANITA

- Created some designs that solve engineering problems in the factory.
- Overviewed techniques and engineering tools used in the machines.
- Pitched ideas and solutions for the required engineering projects.

TECHNICAL SKILLS AND SOFT SKILLS

EES, Ansys, MATLAB, Microsoft (Word, Excel, PowerPoint), SolidWorks, AutoCAD, LabVIEW, Homer, Primavera.

Skills accumulated part of outstanding educational and competitive backgrounds : **Leadership, Public Speaking, Teamwork, Effective Communication, Analytical skills, Problem Solving and Research.**

LEADERSHIP AND EXTRA-CURRICULAR ACTIVITIES

On campus **ASME officer**, ASME club LAU (2021-PRESENT).

Second year **ASME representative**, ASME club LAU (2020-2021).

Finalist in the competition Dawerr ideathon with Berytech (July 2021).

Winner of DON'T WASTE IT competition, organized by ASME LAU club in collaboration with the NGO ECOSERV: Won the best idea to recycle E-Plastic waste stored by ECOSERV in a sustainable way. Producing tiles, windows, and bricks from these E-Plastic waste was our solution (May 2021)

Participated twice in **LAU MUN** (Model United Nation), LAU Byblos, Lebanon (2015/2017).

LANGUAGES

Native **Arabic** speaker; Fluent in **English** and **French**; Beginner in **Spanish**

CERTIFICATION

Certified SolidWorks Associate (CSWA) in Mechanical Design by Dassault Systèmes (October 2020).
