- Work-Study Grant, NDU Department of Financial Aid**
- Data entry officer at the Office of Development and Alumni Affairs
 - Tutored math classes

📁 PROJECTS

PCB design

Worked on **Proteus 8** to design and simulate a printed circuit board that measures temperature, humidity, and pressure

IC design

Operated on **Cadence Virtuoso** to design and create integrated circuits

Electrical drawings

Created drawings on **AutoCad** for light fixtures, switches, and sockets

📜 CERTIFICATES

Certificate of participation in the Bridges of Opportunity project that introduces youth to work-readiness skills, INJAZ Lebanon

EuropeActive (EREPS) certified Fitness Instructor, Personal Trainer EQF level 4

EuropeActive (EREPS) certified Fitness Instructor EQF level 3

Certificate in Fitness and Fitness Instruction and Body Building

Certificate in "Social Entrepreneurship and Innovation", Unicef

Certificate of Participation in the GC LAU MUN Annual High School Conference, Lebanese American University (LAU)
