## PROFILE

Hardworking student with tutoring experience and writing credit

## EDUCATION

**Master's in English Language and Literature, Lebanese University, Beirut**

Nov 2021 – Present

I am currently working on getting my master's degree in my field of study

**Bachelor' in English Literature, Lebanese University, Beirut**

Oct 2017 – Sep 2021

It has been a tough few years in Lebanon but I have managed to get through them with minimal mishaps, gaining every university credit needed in the process.

**Baccalaureat Libanaise, Bourj International college**

Sep 2002 – Jul 2016

## EXPERIENCE

**Digital Marketing, Beirut**

Dec 2021 – Present

I run social media pages like Instagram and Facebook for crypto miners resellers. I establish relationships between the supplier and the reseller, in addition to marketing, promotions and looking the customer needs

**Arabic Tutor, Preply, Beirut**

Jan 2021 – Present

I have helped more than 60 English-speaking students reach their Arabic language goals by tutoring them and developing a system of links between the Arabic and English language to facilitate the learning of the Arabic language, in addition to explaining the mechanisms of the language

**English Private Tutor, Beirut**

Aug 2016 – Present

I have helped about 50 students reach the level of proficiency from different bases and levels of language knowledge by creating easy ways for them to learn and further understand the language

**Freelance Writer, Beirut**

Sep 2017 – Dec 2018

I have written tens of research papers and essays in different fields like Economy, Business and English Literature.
