Summary

As Milton Berle says : " if opportunity doesn't knock , build a door"

My LinkedIn profile is one of the doorways for opportunities

As a student of life, I'm trying to develop my skills on several levels .

I'm a Master's Arabic Language student ,an Arabic Language teacher for non-natives ,and a junior programmer who's specifically a Natural Language Processing enthusiast .

I'm looking forward for more experiences.

Experience

Arabic teacher for Non-Arabic speakers

Aug 2019 - Present (2 years 9 months +)

Teaching is through online platforms.

I've started with teaching kids online. Afterwards , I've started with adults.

Arabic Teacher for non-native speakers

Tawasol

Jul 2019 - Aug 2019 (2 months)

I've taught kids of different age groups and origins Arabic Language.

This program has been established by Global University.

This program aims to teach the student the four aspects of the

Language :Reading,Writing,Speaking,and Listening ,and after the student passes the final exam s/he would be certificated.
