

Alain Khalife

Computer Scientist

 alainkhalife@gmail.com  +961 76322455  Al Tine Street – Amchit

Profile

Lebanese student majoring in Computer Science currently attending the Lebanese American University, with 1 year of work experience. Aiming to leverage a proven knowledge of Java programming, data management, and web programming to successfully fill the role at your company. Frequently praised as hard-working by my peers, I can be relied upon to help your company achieve its goals. I am also a supportive and encouraging computer teacher helping many students per week in individual and small group sessions. I also assist students of all ability levels with advancing technical skills and learning through software and online strategies.

Education

BS in Computer Science Sep 2019 – Dec 2022
Lebanese American University

Employment

Programming Tutor Aug 2020 – Present
