Omar Ajram

Master's Student at LIU

Beirut

Summary

I am currently pursuing my master's degree in Industrial Engineering at the Lebanese International University. I am a motivated individual eager to develop my engineering skills, and ready to display my acquired skills to the work field, despite lacking any work experience.

Experience

Tennis Inc. Academy

Part-time Tennis Coach

December 2021 - Present

Beirut

Developed my communication skills, time management and teamwork skills. Showed absolute commitment at work. Been awarded "coach of the month" twice for receiving positive feedbacks from supervisors and parents, and getting my work deliverables done on time according to the preferred requirements.

Intern Trainee in Industrial Engineering

Middle East Airlines

June 2019 - August 2019 (3 months)

Beirut Airport

Worked on facility and storage expansion in addition to logistics planning. I also acquired some skills in quality control by implementing most of ISO 9001:2015 standards in their catering company.

Inside Sales Executive

Mike Sport

June 2016 - September 2016 (4 months)

Beirut

Enhanced my teamwork and communication skills with colleagues and customers.

Education

Lebanese International University - Beirut

Masters of Science in Industrial Engineering (2020 - 2022)

Currently pursuing my master's degree.

Bachelor of Science in Industrial Engineering (2016-2019)

Jubb Jannine Public School - West Beqa'a

Life Sciences secondary graduate (2016)
