Databases: Postgres SQL, MS Access, Google Firestore.

Software and Tools: Git, LaTeX, Packet tracer (Network simulation), Multisim, PCAAD, Keysight Advanced Design System, Intel Quartas (FPGA).

Hobbies and interests

I enjoy reading books in my free time. I am a science enthusiast, so I usually read educational books and listen to podcasts on topics like computers, AI, and the human brain. I am also an intermediate chess player. I believe that chess is a formidable challenge for my mind, and I always try to improve by analysing my games and learning from my mistakes.
