SUMMARY

Highly motivated, always seeking an opportunity to grow and enhance my knowledge in my field. Looking for a post-graduation internship or job to gain hands-on experience. Interested in auditing, transaction services, transaction diligence and business analysis.

EDUCATION

September 2019, May 2022 Beirut, Lebanon	American University of Beirut Bachelor of Arts, Economics. With a minor in Business Administration GPA: 3.6/4.0 – Placed on Dean’s Honors List Relevant courses taken outside major: Finance, Accounting, Management, Information Systems, Computer science, Calculus III
September 2005, June 2019 Mount Lebanon	College Saint Joseph Antoura Lebanese Baccalaureate – ES Field with “Mention Bien”

PROJECTS ACCOMPLISHED

- Al-Saniour Restaurant, Information System project

Analyzed the Human Resources functions with a focus on the recruiting process and suggested a modified process map using Microsoft Access to avoid waste of resources and storage in the information system.

- Impact of minimum wages on unemployment, Econometrics project

Investigated in an empirical study the effect of minimum wages on unemployment in several cities in the US taking into consideration other factors that can cause bias and errors, using STATA software.

- THYABI, Marketing project

Identified how to create an application capable of merging all the Lebanese local clothing brands to eventually compete with international names during the economic crisis

- Leadership and Employee Motivation, Management project

Studied the importance of effective leadership and employee motivation; why is it essential for employees to be motivated and inspired in their work, and why managers must lead by example and exhibit their exceptional leadership style.

HOBBIES AND EXTRA CURRICULAR ACTIVITIES

- Delegate in the Warwick Economics Summit 2022
- Member in the Economics students society at AUB (2019-2022)
