WORK EXPERIENCE

- **Dada & Associates - Interior Architecture Internship**
May - June 2022
During my 4-week internship experience at Dada & Associates, I gained hands-on experience in space design, creating specifications sheets, furniture design, and execution. I collaborated with the team, translating client requirements into detailed specifications. This involved designing furniture pieces and overseeing their execution. It was an intensive and rewarding experience that expanded my skills.
- **Summer Camp - Supervisor**
June - August 2018
During my summer camp supervisor experience, I managed daily operations, organized engaging activities, and ensured the safety and happiness of the campers. I effectively communicated with children, resolved conflicts, and created a positive and inclusive environment. It was a rewarding experience nurturing and empowering young individuals in their summer camp journey.
