| | |
|---|---|
| **Programming** | C++/C# · Python · Java/J2EE |
| **Analytics** | SQL |
| **Web/Media** | Flask · HTML/Bootstrap · CSS/SASS/LESS · JavaScript/JQuery · XML · JSON · Ajax · ASP.NET · Angular.io · Entity Framework/LINQ |

## Experience

**Global Technology Solutions s.a.r.l.**                     *Nahr El Mot, New Jdeideh, Beirut*
Technical Consultant – TECHNICAL TEAM                              *Jul. 2020 – Oct. 2020*

- Handled Oracle NetSuite PDF templates and customer requests with Apache FreeMarker and Lodash.js.
- Implemented a payroll system on Oracle NetSuite that can gather and calculate each employee's payroll based on allowances, dependents, history and taxes.
- Created a service level agreement module for our sales team to create and validate a contract by integrating with SuiteBilling on Oracle NetSuite.

**SABIS® Educational Services**                                        *Adma, Keserwan*
Web Developer – CREATIVE WEB TEAM                                  *Nov. 2020 – Present*

- Currently optimizing several SABIS® websites for different schools using HTML, CSS and JavaScript.
- Worked on establishing website databases and page templates through SQL.
- Participated in code reviews as part of an agile team and wrote back-end scripts in C# (.NET Framework) and Ajax.
- Worked on the CKEditor and content management system (CMS) on several websites.
- Aided in improving a Digital Diploma blockchain project with angular and .NET Core.

## Internships

**Global Technology Solutions s.a.r.l.**                     *Nahr El Mot, New Jdeideh, Beirut*
Summer Intern – INTERN TEAM                                        *May 2019 – Jul. 2019*

- Developed a program that could track and identify objects based on their colors and shapes. Python was used to interface with a camera that has been attached to a raspberry Pi device.
- Managed the creation and handling of APIs through Google cloud functions using Flask and JSON.
- Learnt the use of Firebase's API cloud FireStore as well as its implementation.

## Education

**Notre Dame University**                                            *Zouk Mosbeh, Louaize*
HIGH DISTINCTION – BACHELOR OF SCIENCE IN COMPUTER SCIENCE              *Sep. 2017 – May 2020*

- Dean's Honors List: 3.44 GPA
