## OBJECTIVE

Seeking an internship or entry-level position in computer engineering that will allow me to gain hands-on experience and enhance my knowledge of programming languages, software development where I can apply my academic knowledge in programming to solve real-world problems and contribute to the success of the organization.

## EDUCATION

### **Bachelor of Computer Engineering | Beirut Arab University**

2019 – PRESENT

I completed coursework in a range of topics, including computer architecture, digital systems design, programming languages, algorithms and data structures, computer networks, and software engineering with a cumulative GPA of 3.3

### **Lebanese Baccalaureate | La Cite Culturelle**

2004 – 2019

I graduated with a General Science degree in school where I completed coursework in a range of subjects that provided me with a well-rounded education such as Math, Physics, Chemistry with a grade of 15 over 20.

## EXPERIENCE

### **Web Application Developer Internship | Integrated Digital Systems (IDS)**

DEC 2022 – FEB 2023

As a web application developer intern, I developed and maintained web applications using C# and ASP.NET, and managed databases for efficient data storage and retrieval. I contributed to the development of a new application.

### **Call Center Agent (PART-TIME) | Touch Lebanon**

AUG 2022 – PRESENT

As a call center agent, I provided excellent customer service by handling a high volume of inbound and outbound calls, emails, and chats.

### **Tourist guide and Driver (PART-TIME) | Ghader Travel**

SEP 2020 – PRESENT

As a driver and tourist guide for our family business in Lebanon, I provided engaging and informative commentary during tours and maintained a high level of client satisfaction. I developed a reputation for safety and reliability. My contributions helped to grow the business by expanding the client base and offering new tours and destinations.

## Online Sales | Onlinephoneshop

JUN 2019 – MAR 2021

As the creator of an Instagram page to sell phone accessories, I developed a marketing strategy, created visually appealing content, managed customer inquiries and orders, and handled shipping logistics and established a reputation for excellent customer service resulting in positive reviews and repeat business.
