Phone Number: +961-71-860430

## OBJECTIVE/Profile

---

**Seeking an internship.**

**With my curiosity, attention to detail, and ability to communicate and understand tasks, I can easily learn and apply what I am asked to do, on site or using software.**

## EDUCATION

---

<b>2018-2023</b> Diplôme D'Ingénieurs in Mechanical Engineering Currently in fourth year Expected Date of Graduation: July 2023	<b>Lebanese University - Faculty of Engineering</b>	Hadath, Lebanon
<b>2018</b> Baccalauréat in general sciences Average: 80.2/100	<b>Collège des Soeurs des Saints-Coeurs</b>	Ain Ebel, Bint Jbeil, Lebanon
<b>2017</b> Certificat CAVILAM Alliance Française Intensive French Courses Awarded for winning the « Dis moi dix mots » competition organised by "Institut Français" on a national level	<b>Centre d'Approches Vivantes des Langues et des Medias (CAVILAM)</b>	Vichy, France
<b>2016</b> DELFI/DALF B2	<b>Institut Français</b>	Saida, Lebanon

## PROJECTS ACCOMPLISHED

---

- **Cross-flow Hydro Turbine Full Design using SolidWorks**
- **Steam Power Plant Cycle Full Thermodynamic Calculations and fuel choice determination**
- **Submarine Depth Control using Matlab/SIMULINK**
- **Kinematics, Dynamics (using Matlab) and Control of the mechanism of a Train Pantograph**
- **Separation of a Motor and Reducer in a rigid mounted Moto-Reducer with necessary modifications to add a coupling after separation using AutoCAD**
- **Hexacopter Assembly, Calibration and deployment using MissionPlanner**

## SKILLS

---

**Languages:** Fluent in English, Arabic and French (B2).

**Computer Skills:** MATLAB/SIMULINK, SolidWorks, INVENTOR, AutoCAD, COMSOL Multiphysics, Design Builder, TRNSYS Software, Proteus, MPLAB X IDE, C, HTML, MissionPlanner, MS Word, Excel, PowerPoint.

- Can Easily develop new skills, and adapt with changes in work requirements.
