BACKGROUND

A hard-working and committed 17-year old IB diploma student interested in neuroscience and the medical field. Creative and detail-oriented with a dedicated mindset gained through my strong passion for the arts and experience in graphic design. A highly responsible and organized individual with a background in project management. Looking for a short summer internship opportunity in Lebanon at a leading digital agency to learn from and advance my skillset.

EXPERIENCE

- Single-handedly founded and ran a non-profit initiative called 'Brighten Their Future'; donated all profits of LBP 3,340,000 to the Children's Cancer Center in Lebanon (2021-Present)
- Executive Organizing Team member of FARISMUN II (Model United Nations) 2022 Conference hosting **400+ guests from across KSA**; Head of Media, Marketing, & PR Department; designed all graphics and prints; performed a piano solo in the closing ceremony (2022)
- Volunteered and was assigned a booth at the school In-House College Fair; designed all prints; interacted with students and parents inquiring about the IBO & IB Diploma Program; performed a piano solo at the opening (2022)
- School Debate Club Project Manager with 3 MUN delegate experiences (2022)
- Participated in the Trivium Forever 2022 Canvas Packaging Challenge; created an innovative design for recyclable metal aerosol packaging (2022)
