Work Experience

-Salesmen (Osten Electronics)
-Solar photovoltaic installer (Osten Electronics)

Achievements and Hobbies

- The Third Eye

This project is called “The third eye”,
It is about an electronic board which aids in prevention of blunt trauma in susceptible individuals with vision defects and therefore are at higher risk of injuring themselves due to lack of guidance. So, basically this device will act as a guide leading the way for these individuals and clearing their path.

Hobbies

- Swimming, Hiking, Volunteering and Community involvement, exercising and healthcare, and marketing
