

Abdallah Bou Enek

Educator | Physics teacher

With over 10 years of combined experience in areas of community organizing and engagement, working with youth, teaching, public speaking, and operations management. Passionate about personalized and holistic education, I aim at having an impact on Lebanon's education system by reforming it in a way that renders all students prepared for their future and engaged in their community.

EXPERIENCE

Ecole Saint Redempteur, Fanar **Physics Teacher**

September 2021 - Present

- Teaching Physics from Grade 7 to 12 and coordinating their curriculum.
- Coaching students on study schedule planning and time-management and helping them apply what they learned.
- Coaching on exam taking strategies and stress management.

Dar el Hadara, Zalka **Science Teacher**

September 2019 - June 2021

- Teaching Physics, Chemistry and Biology to Grade 7, 8 and 9 students and coordinating their curriculum.
- Coaching students on study schedule planning and time-management and helping them apply what they learned.
- Coaching on exam taking strategies and stress management.

Technica International, Bikfaya **Operations Manager Assistant**

April 2016 - March 2018

- Executing operational processes
- Maintaining a good filing system (CSQ, project assessment, department meeting, department plan).
- Coordinating with different departments in order to create standard operating procedures and instruction manuals.
- Collecting data pertaining to, analyzed, and reported on operations process KPIs, as well as managing the master plan schedule.
- Managing shipments and following the shipment preparation. Closing all shipped projects and creating Snags.

Ministry of Social Affairs, Ashrafieh **Field Coordinator**

July 2015 - March 2016

- Locating refugees and communicating with them for mapping, data collection, and support.
- Managing team's schedule and carrying their issues and problems to the ministry.
