Web Mobile Design: www.rb.gy/q1yhz7

Project 6: MenthaX Logo Design

Time Period: 1 month

Skills Used: Logo Design, Adobe Illustrator

Description: MenthaX is a company that offers various healthcare services through its mobile application. This project represents a complete brand identity for MenthaX. The logo is designed in a modern/simplistic style to reflect the appropriate identity to the audience.

View Project: www.rb.gy/idvj6u

Project 7: SmartLand 3D Advertisement

Time Period: 2 months

Skills Used: 3D Modeling, 3D Animation, 3DSMax

Description: A 3D animation that aims to introduce SmartLand to viewers through a short film. The target is to symbolize the strength of SmartLand system in a funny way and without diving into technical explanations.

Watch here: www.rb.gy/5u2fqz

Project 8: Social Network

Time Period: 2 months

Skills Used: Java, MySQL

Description: A social network desktop app.
