## ABOUT ME

"I would describe myself as someone who is perfectionist. I always seek perfection, especially in the details where I find it to be the essence of the design as a whole. At the same time, I'm a minimalist that finds beauty in simplicity, where I believe "less is more". "

## EDUCATION

HIGH SCHOOL; DIPLOME EN SCIENCES GENERALES	2016
Le Lycee National School Choueifat	
BACHELOR OF ARCHITECTURE	Jan 2017 - May 2022
Lebanese American University, Beirut	
MINOR IN BUSINESS, MARKETING	Jan 2017 - May 2022
Lebanese American University, Beirut	

## WORK EXPERIENCE

ARCHITECT / INTERIOR ARCHITECT	Aug 2020 - Present
Freelance	
Ive worked on some renovation projects and residential villas, mostly AutoCAD.	
DESIGNER AND SOCIAL MEDIA MARKETING SPECIALIST AT "AND WRISTBANDS"	May 2022 - Present
Freelance	
HASHEM HASHEM REAL ESTATE AND CONTRACTING	Jun 2021 - Aug 2021
Architectural Associate	
I developed my skills in project planning, budgeting, scheduling, and developing drawings and specifications for concept through final design. These responsibilities mainly included working on Microsoft Excel, on-site execution, presentations, construction drawings, architectural details, attention to detail, project management, strategic planning & AutoCAD.	
MADAEN CIVIL ENGINEERING AND ARCHITECTURE	Jun 2019 - Aug 2019
Architectural Associate	
I developed my skills in 3D MAX and Lumion through 3D visualization and rendering for presentations.	
REPRESENTATIVE OF THE SCHOOL OF ARCHITECTURE AND DESIGN AT LAU	Sep 2018 - May 2022
During this period, I got the opportunity to solve most of the problems and issues the students of the faculty had. Being one of the students and communicating with them helped me develop the skill of teamwork and leadership to reach our goals.	
MEMBER IN THE STUDENT COUNCIL OF LAU	Sep 2018 - May 2022
Being a part of the student council, I had the chance to make the voice of students heard regarding several issues. Planning and working on these plans were fun to do.
