PROFILE INFO

Computer science graduate with a passion for innovation. As I'm motivated to learn, my goal is to gain web development experience within the next few years.

EDUCATION

2019 - 2022   **BS in Computer Science**

Lebanese International University
GPA:3.68

PROJECTS

Attendance Application

- Simple Android Mobile App that tracks students' attendance by scanning their QR-CODE.

- A check will be made to see if the student is enrolled in the course. The QR code's status at the time of scanning will be checked; the status should be "Active" rather than "not active." this means the student is not enrolled in this course

- Using: JAVA,MySql

Book Website

- Simple Web page that allows users to view newly released books and gets recommendation for books, also allows the admin add books to the database.

- Using: MySQL, HTML, PHP, CSS
