OBJECTIVE

I aim to attain an engaging position, where I can grow professionally and personally, and establish my abilities and capacities to serve the company or the organization's purpose.

EDUCATION

M1 in accounting and auditing | Lebanese University – faculty of economics and business administration – Tripoli - Lebanon

December 2020 – July 2021

- Got selected from the top 30% in the accounting and auditing class to be accepted in the master 2 program directly with a gpa equivalent to 15.9(3.7).
- Had a rich collection of courses especially those concerning the international accounting and auditing standards.

Bachelor's degree in accounting and auditing | Lebanese University – faculty of economics and business administration – Tripoli - Lebanon

September 2015 – June 2020

- Dived into the business industry in its whole: Accounting, Finance, and Audit; in addition to other courses in commerce, marketing, management, and Data science.
- Worked on my final year project entitled as “Announced and edited income tax in Sole Establishments”: it discussed how sole establishments could commit frauds at the level of income taxes and how this would affect the economic situation in Lebanon.

EXPERIENCE

Research Analyst | Teaser Platform – Remote (Kuwait)

September 2021 – Present

- Gathering data and information accurately on privately-held companies from websites and other public sources.
- Collecting business news from online sources on various topics.
- Uploading daily disclosures for different GCC countries and providing weekly reports on important events.

Data Entry Clerk | Atika Expo Store – Tripoli - Lebanon

August 2020 – February 2021

- Managed to enter information into the website with accuracy while keeping a high speed level.
- Provided clear, completed and accurate reports.

- Made sure that the ordered products were delivered and coordinated the delivery process between delivery workers and sale persons.

Sales Assistant | Sport et Loisir – Tripoli - Lebanon

January 2018 –September 2018

- Worked in high intensity situations and maintained good customer flow.
- Counseled customers depending on their specific demands.
- Kept a respectful and energetic relationship with customers so they feel more welcomed and content.

INTERNSHIPS

Intern | BLOM Bank– Byblos – Lebanon

September 2019 – October 2019
