0.3 PERSONAL SKILLS

COMMUNICATION

Communication is the main method to share opinions and
thoughts, making it clear for others to understand the
situation and make better decisions .

LEADERSHIP

Leading the process, I regularly get in charge for
coordinating with a team to achieve a specific result. My
goal is to inspire and build leaders who take my place.

TEAMWORK

Working in teams since my early beginnings, I mostly see
myself as a team player sharing ideas, deligating tasks and
managing resources.

CREATIVITY

My definition of being distinctive in life is being creative, its
what makes a person stand-out from others. I shaped my
whole career to maintain these skills.
