Profile

I'm an enthusiastic, self-motivated, reliable, responsible, and hard-working person. I'm a mature team worker and adaptable to all challenging situations. I can work well both in a team environment and use my initiative. I'm able to work well under pressure and adhere to strict deadlines. I'm a Front-end and Back-end developer with no experience yet, looking to land an internship while studying Computer Science at Lebanese International University.

Education

2021 – present Koura, Lebanon	**Bachelor in Computer Science,** *Lebanese International University*
2017 – 2020 Zgharta, Lebanon	**Bachelor technical in IT,** *Institut Saint Antonine*
