

Ali El zein

Computer and Communication Engineer
Beirut, 81059602, alielzein747@gmail.com

BIOGRAPHY

Highly motivated computer engineer graduated (May 2024) with a passion for continuous learning and a dedication to excellence. I possess strong communication and leadership skills. My fluency in English and Arabic allows me to effectively bridge communication gaps in diverse teams. Eager to leverage my technical foundation and a thirst for knowledge to contribute to innovative projects within a collaborative environment

SKILLS & ABILITIES

- Arabic- Native speaker
- English - Excellent
- HTML 5, CSS2, CSS3, PHP, React, JavaScript
- Basics of Cybersecurity

WORK EXPERIENCE

Full Stack web development Training Beirut/Lebanon
August 2023-November 2023

- Built interactive web applications using HTML5, CSS2/CSS3, JavaScript, and Sprite.
- Designed and developed multi-page websites from scratch, incorporating external libraries like Bootstrap to enhance functionality and design.
- Gained expertise in PHP for server-side programming, connecting websites to databases to send and receive information.
- Implemented large-scale projects combining front-end and back-end technologies, showcasing end-to-end development skills.

Web development Internship at Aspire Software, Sin il Fil/Lebanon
July 2024-August 2024

- Learned the basics of React how to use components, connect to the database and many others
- Was able to implement my own project and work amongst a team.

Google Cybersecurity Certificate
November 2024-October 2024

- **Threat Detection and Analysis:** Identifying, analyzing, and mitigating cybersecurity threats using industry-standard tools.
- **Risk Management:** Implementing best practices for securing systems, assessing vulnerabilities, and mitigating risks.
- **Incident Response:** Developing strategies for responding to cybersecurity incidents, including breach containment and reporting.
- **Security Frameworks:** Gaining proficiency in frameworks such as NIST, ISO 27001, and CIS Controls.
- **Hands-on Experience:** Practical projects in securing networks, managing firewalls, and safeguarding sensitive data.

Education

Graduated with honors

- Lebanese International University 2021-2024
- Bachelors in computer and communication engineering GPA 3.35/4.00
