[RPM Digital Marketing](#)

Full Stack Web Developer, Intern | Cedars Byte Company | *July 2023 - September 2023*

- Interned at CedarsByte, where I actively contributed to the development of a real [basketball academy website](#) using cutting-edge technologies, including ReactJs, Bootstrap, CSS, PHP, and MySQL.
- Recognized as one of the top performers during the internship, achieving a remarkable score of 347/360, reflecting my commitment to excellence and strong technical skills.

PERSONAL PROJECTS

Senior Project: Guardian Robot | LIU, Faculty of Engineering

- Designed and built a multi-purpose robot for detecting landmines and dangerous objects, integrating metal detection, sensors and live streaming video.
- Developed a real-time update website using React, PHP, MySQL, and EmailJS.

Equimedica Website | ReactJs, Bootstrap, JSON

- Developed a responsive front-end website to showcase medical equipment products, integrating dynamic image display via JSON and optimizing scalability with generic components.

Cross-Platform Wedding Reservation System | HTML, CSS, JavaScript, Java, Android Studio, PHP, MySQL

- Developed a cross-platform wedding reservation system, comprising a website and a mobile app, both sharing a MySQL database.

Restaurant Management System | Java.OOP,MVC,GUI

- Developed a Java-based system with MVC architecture for efficient menu management, order placement, payment confirmation, and secure data storage.

Gym Management System | TypeScript , MUI,Localstorage

- Developed a Gym Management System with TypeScript, React, and Material-UI, emphasizing local storage for efficiency and maximizing reusability with generic components.

EDUCATION

Bachelor Of Science In Computer Engineering| Lebanese International University | *February 21 - 24*

- GPA:3.5 | Dean's Honor List

EXTRACURRICULAR ACTIVITIES

- I've balanced sports and entertainment roles effectively, playing 4th Division basketball with Dostpot Nabatieh, coaching U10 teams at Dostpost Academy, and DJing while managing social media at LaVitta Palace Wedding Hall.
