SUMMARY

Enthusiastic Junior Front End Developer eager to contribute to team success through hard work, attention to detail, and excellent organizational skills. Clear understanding of HTML, CSS, and JavaScript, and training in responsive design principles and techniques. Motivated to learn, grow, and excel in the web development industry.

PROJECTS

Little Lemon Restaurant

02/2023 - 03/2023 Lebanon, Tripoli

A modern and responsive restaurant website has been created with multiple pages to provide an intuitive user experience. The website features a reservation page that allows users to reserve a table by selecting the date, time, and number of guests.

- Technologies:** HTML, Tailwind, JavaScript, React.js.
- [Live](#)
- [Code](#)

Rest Countries App

01/2023 - 02/2023 Lebanon, Tripoli

Built a web application that fetches countries data from an API and displays the countries information. A user can search and filter the countries.

- Technologies:** HTML, Tailwind, JavaScript, React.js.

- [Code](#)

Pic Commerce

12/2022 - 01/2023 Lebanon, Tripoli

Developed a pic commerce website that allows users to browse through a variety of images and add them to their favorites. The website enables users to purchase the images they like and place an order to receive them. Users can complete their purchases quickly and easily.

- Technologies:** HTML, SASS, JavaScript, React.
