As a third-year Computer Science student with one semester remaining, I bring a strong foundation in web development, robotics, and embedded systems. I have completed a 4-month internship with 'Win Deep Tech,' where I gained hands-on experience in web development and honed my problem-solving skills. My academic journey has also equipped me with a solid understanding of Raspberry Pi, basic Linux operations, and accounting principles. I am eager to leverage my skills and passion for technology in a challenging and dynamic environment.

## Education

2025

### BSc in Computer Science

*Lebanese University, Faculty of Science, Fanar*

#### Relevant Coursework:

- **Programming Fundamentals:** Python, Java, C/C++
- **Data Structures and Algorithms:** Lists, Linked Lists, Trees, Graphs, Sorting, and Searching Algorithms
- **Computer Networks:** TCP/IP, OSI Model, Network Protocols
- **Web Development:** HTML, CSS, JavaScript, Frontend/Backend Frameworks
- **Data Science:** Data Analysis, Visualization, Statistical Methods
- **Database Management Systems:** MySQL, MSSQL

## Professional Education

2024-02 – 2024-05

### Web Development Intern

*Win Deep Tech, Lebanon*

*Duration: [4 months]*

During my internship at Win Deep Tech, I gained hands-on experience in web development using HTML, CSS, JavaScript, C#, and ASP.NET MVC. I worked with various frameworks and libraries, including jQuery, Bootstrap, and Sweet Alert, and utilized SQL Server for database management. I also developed skills in deploying and hosting applications on Microsoft Azure and IIS. In addition to enhancing my technical abilities, I effectively collaborated with team members, communicated clearly, demonstrated adaptability, and contributed innovative solutions to team challenges.

## Skills

#### Technical skills:

- **Programming Languages:** Python, Java, C/C#, JavaScript, HTML, Razor, LINQ, JSON
- **Frameworks and Libraries:** ASP.NET MVC, jQuery, Bootstrap, AJAX, React
- **Database Management:** SQL Server (SSMS), Database Modeling, Querying, Configuration
- **Web Development:** CSS, HTML, JavaScript, ViewBag, ViewData, Partial Views, Data Table, SELECT2, Modal, Sweet Alert
- **Development Tools:** Visual Studio, Visual Studio Code, Git
- **Deployment and Hosting:** Microsoft Azure, IIS (Internet Information Services)
- **Operating Systems:** Linux (basic), Windows

**Soft Skills:**

- Teamwork and Collaboration
- Communication
- Problem-Solving
- Adaptability
- Responsibility

**Languages**

---

- Arabic
- English
- French
