Introduction

Hey! I'm a junior graphic designer who's interested in learning about branding and is obsessed with visual identities. I am characterized by minimalism and an exquisite picky taste that is difficult to satisfy (even to myself sometimes).

I've worked with couple of non-paying clients and practiced numerous times of personal projects that can be found on my Behance accounts.

Experience

I started getting to know about graphic design in year 2020 when I was a 10th grader in high-school. Now I'm a graphic design student in the Lebanese International University. So I have 3 years experience in few visual aspects, especially creating minimal designs and identities.

Education

2013 - 2022	Al-Bayader Aramoun School
2022 - Currently	Lebanese International University
