

Fidaa Hammoud

Computer science for business -
Student

fidaahammoud2003@gmail.com

(+961) 71755701

Beirut, Lebanon

Second-year student in computer science for business at the Saint-Joseph University of Beirut - USJ. I am passionate about delivering high-quality code that meets business requirements and I am always eager to learn and apply new technologies. I am looking for a Development internship for a period of two months in order to consolidate my experience on all the information I have gained during these two years at the university
