SUMMARY

As a recent graduate in Computer Science, I am entering the professional world with a high level of motivation and an unwavering passion for technology. My academic journey has been marked by a relentless pursuit of knowledge and skill in my field, demonstrated through rigorous coursework, innovative personal projects, and active participation in extracurricular activities like the Developers Club. This blend of practical experience and theoretical understanding equips me to tackle complex challenges and continuously learn from them. With my insatiable curiosity and commitment, I am fully prepared to make a significant impact in any computer science role.

EDUCATION

B.S. in Computer Science

University Of Balamand

2020 - 2023

EXPERIENCE

Frontend Developer Intern

Kings Distribution SAL

07/2023 - 09/2023 Remote

- Worked on the development and optimization of web applications using Angular.
- Collaborated with a team of developers to implement user interfaces.
- Assisted in integrating API endpoints to ensure smooth data flow between the frontend and backend systems.

Freelancer

01/2024 - Present

- Developed and maintained web applications for various clients, ensuring robust functionality and seamless user experience.
- Utilized a diverse tech stack including HTML, CSS, JavaScript, React, Node.js, Express, and MongoDB to build dynamic, responsive websites and applications.
- Collaborated with clients to gather requirements, provide project updates, and deliver customized solutions within agreed timelines
- Implemented RESTful APIs and integrated third-party services to enhance application capabilities.

Lab Assistant

University Of Balamand

08/2022 - 08/2023 Souq al Gharb campus

- Offered guidance and support to students working on lab assignments, answering questions, and providing assistance when needed
- Monitored lab equipment and reported any issues to the appropriate department
- Helped students to implement data structures and algorithms in the Data Structures, oop, databases and basic programming labs.

Extracurricular Activities

Founder/President of Developers Club

University Of Balamand

1/2022 - 11/2023

- Organized and facilitated weekly meetings with club members
- Coordinated with other student organizations to plan joint events
- Hosted programming competitions and hackathons to promote technical skills

BasketBall Varsity Team Player

University Of Balamand

1/2022 - 11/2023

SKILLS

Client-Side

HTML	CSS	JS	Angular	React
Redux	TypeScript	Mui	SCSS	

Server-side

Nodejs	SQL	MongoDB	Express
--------	-----	---------	---------

Development & Operations

Jira	Scrum	Agile	GIT	Postman
------	-------	-------	-----	---------

PROJECTS

Clothing Store POS(Freelance)

- created a POS system for sales, inventory and employees management
- Daily reports and analytics to check performance
- Using: React, Redux, MUI, CSS, Nodejs, Express, RESTAPIS

SkillSync (Graduation Project)

- created SkillSync, a platform to match users according to their skills
- Users are match so they can exchange skills
- Using: React, Redux, MUI, CSS, Nodejs, Passportjs, Express, RESTAPIS

Mern Social Media App

- created a fullstack responsive MERN app with Auth, Likes, Dark Mode
- Using:React, MongoDB, MUI, Nodejs

SOFT SKILLS

Leadership

- President of developers club
- Nasa space apps team leader
- Mern workshop team leader

Communication

Problem Solving

Attention to detail

Adaptability

CERTIFICATIONS

Nasa International Space Apps Challenge

Nasa Space Apps, 2023

MERN Full Stack Workshop

Techlariious, 2023

MERN Full Stack Workshop

Tatweer Baladna, 2024
