PROFILE

Full stack web developer with experience in building responsive and scalable web applications using the MERN stack and AGILE development methodologies. Proficient in HTML, C++, C#, CSS, JavaScript, Java, ReactJS, NextJS, PHP, PL/SQL, Laravel, NodeJS, ExpressJS and MongoDB. Strong understanding of web development principles and a passion for creating user-friendly and visually appealing websites.

PROFESSIONAL EXPERIENCE

BEANZ | Abu Dhabi Emirate, United Arab Emirates

Remote Web Developer Intern | July 2023 - Present

- Utilized ReactJS, TypeScript, and Tailwind CSS to develop dynamic and responsive user interfaces.
- Collaborated remotely with a team using Jira, Bitbucket, and Git for version control and project tracking.
- Contributed to the development of various web applications and projects.

Codi Tech | Beirut, Lebanon

Full Stack Web Developer | Nov 2022 - June 2023

- Used various Backend technologies including Laravel, PhpMyAdmin, Express.js, MongoDB, Postman API, REST APIs, API Development, SQLite, Node.js, PHP.
- Developed the Frontend of several projects using various libraries and frameworks such as React.js, HTML5, Cascading Style Sheets (CSS), JavaScript, React Native, Next.js.
- Worked on administering and maintaining the server hardware and software using LAMP Stack and Linux.
- Implemented Docker to containerize applications, ensuring consistent deployment across different environments.
- Applied the AGILE Methodology of Project Management to plan, organize, and control the flow of work through my projects.
- Worked on WordPress, a Content Management System, that allows users to create, manage and publish digital content, typically on the web.

PROJECTS

- **Lights-Out** | ReactJs, Tailwind, Firebase: Lights Out is a movies and series website, it offers a user-friendly interface for browsing and searching popular movies and TV shows. [LiveDemo](#).
- **No Limits** | ReactJs, Tailwind, and StrapiJs: A fitness application that provides plenty of exercises for people to use as a guidance for workout. [LiveDemo](#).
