WORK EXPERIENCE

EDUCATION

Computer Science   Oct **2020** - Jul **2023**

American University of Culture and Education

Toul, Nabatieh, Lebanon

I am a junior student at American University of Culture and Education studying computer science. My passion in coding and creating websites, has lead me to this major path. My objective as a web developer to start by an internship that will build a strong experience, where for sure it will be the startup point.
