

# Hussein Saad

## Computer Engineer

✉ husseinsaad2002@outlook.com ☎ 81 652 346 📍 Beirut – Hart Hrek

### Profile

I am an ambitious engineering , seeking an opportunity to develop my skills and my experience in the field. I am a value-oriented person looking for a good opportunity with a reputable organization where I can contribute to its growth and use my education and experience, to go forward and accomplish established goals.

### Education

**Computer Engineer** Oct 2019 – May 2024  
Lebanese international university, Beirut

### Employment

**Computer engineer** Dec 2021 – Present  
SAFA Computers, Beirut

As an IT Manager at Safa Computers, my extensive expertise spans computer hardware, software, and networking. Proficient in laptops, switches, cameras, and network infrastructure, I ensure seamless IT operations. With a deep understanding of technology, I drive innovation for organizational success.

**Freelance** Present

As a freelance IT specialist, I specialize in computer systems, networking, and IoT projects. Experienced in (NodeMCU, Arduino) development and crafting smart home solutions, I offer tailored services to clients seeking innovative technological solutions. With a keen eye for detail and a passion for cutting-edge technology, I deliver high-quality projects that exceed expectations.
