Summary:

I'm a second-year AUB student seeking for an internship in computer science to improve my abilities and grasp experience in most fields of computer science. I'm organized, detail-oriented, determined, punctual, able to cope with heavy workload, and work under pressure.

Education:

Bachelor's degree in Computer Science at American University of Beirut 2021 - Present

Highschool at Antonine International school of Ajaltoun 2015 – 2021

Experience:

- University level practice and individual and/or team projects
- Connect Four game
- EventHub website
- Currently working on an automation project for OSB in AUB
- GitHub link: <https://github.com/NourCSfeir>
- Areas of study: Introductory, theoretical computer science, computer architecture and parallel computing, programming languages, systems and networking in database systems, software engineering and construction.

Extra-curricular activities:

- **Online Courses from edX:**
 - Currently studying CS50's Introduction to Computer Science to learn python as it is not part of university major courses
 - Planning on enrolling and studying diverse computer science courses to enrich and learn new knowledge and skills in a variety of ways through experience as well as translating, incorporating, and applying my experience into the real world.
- Member in Computer Science Student Society (CSSS)

Tutoring:

Taught CMPS 201 and 202 and Chem 200 to some students at AUB.

Taught Math, Physics, Chemistry, and Biology in elementary and high school at Antonine International School

Computer skills:

Excel (Advanced), PowerPoint (Advanced), and Word (Advanced)

Programming Languages:

Java, Python, C, C++, JavaScript, SML, SQL

Personal skills:

- Attentive to details
- Time management
- Research skills
- Organizational skills
- Creative thinking
- Collaboration talent
- Strategic problem-solving
- Determined
- Persistent
- Curious in learning new skills

Hobbies:

- Swimming
- Basketball
- Gym
- Running
- Badminton
- Hiking

Languages:

English (Fluent)

Arabic (Native)

French (Beginner)
