EXPERIENCE

Digital Future

Beirut - Lebanon

Doha - Qatar

2021 - Present

Digital Future is a multinational company specializing in the production and publication of educational tools. The years I spent with Digital Future were as a salesman at the Beirut International Book Fair and the Doha international Book Fair.

Lavanda Farms

Beirut - Lebanon

2023 - Present

Lavanda Farms is an up-and-coming business in the lavender farming and production business in Lebanon. My time spent with Lavanda Farms was as a salesman where I had the opportunity to sell their amazing products to customers all over Lebanon. I also worked as an accountant who was in charge of preparing the financial statements.

EDUCATION

American University Of Beirut

Bachelor in Business Analytics
2022-Present

Al-Bayader School Aramoun

Lebanese Baccalaureate Certificate - Sociology & Economics
2007-2022
