Skill Highlights

- Experienced with C++, Java, HTML/CSS, JavaScript, React.

- Microsoft Office – Word, Excel, and PowerPoint.

- Proficient in SQL and PHP

- Communicating effectively orally and in writing.

- Operating effectively as a member of a team to solve open-ended computing problems.

- Assessment and evaluation

- Skilled in time management

Languages

Arabic – native language
English – fluent

Experience

Free Lance, Professional Tutoring   **2018 – present**

- Reviewing classroom or curricula topics and assignments. Assisting students with homework, projects, test preparation, papers, research, and other academic tasks. Working with students to help them understand key concepts, especially those learned in the classroom.

Instructor's Assistant

- As an assistant for the instructor in CS courses, I gained valuable experience in supporting the delivery of web programming and introduction to programming courses. My responsibility included providing one-on-one assistance to students who needed extra help.

Owner of Online Shipping Service

- Worked up close with the clients to ensure the best customer service possible, developed contacts locally and worldwide, and lead the logistics for retail and wholesale operations.
