2. Coordination of creative activities and co-design workshops to identify solutions to integration, housing and education needs of migrants and refugees.
3. Research activities and organisation of dialogue tables with local, regional and national institutions.

EDUCATION AND TRAINING

01/10/2020 – 14/04/2023 Naples, Italy

RELATIONS AND INSTITUTIONS OF AFRICA AND ASIA University L'Orientale

My Master's degree have enabled me to acquire critical keys to investigate the welding together of security, environmental and migration crises. I have acquired comprehensive knowledge of global governance and the role of subsidiary governance levels, such as the regional one, accompanied by the analytical analysis of the key International Organizations and Regional Organizations in comparative perspective across the MENA region, Sub-Saharan Africa and Asia. Strongly oriented towards human rights, international law, sustainable development and humanitarian aid, my Master's Degree enabled me to acquire specific knowledge in areas such as International Cooperation, International Protection of Migrants and European Immigration policy, as well as Arabic language.
