Summary

Passionate and motivated third-year Computer Science student with a strong interest in software development, web technologies, and iOS development. I am dedicated to excelling in these fields and continuously exploring new technologies while staying at the forefront of industry advancements. Thriving in independent study environments, I prioritize continuous learning to remain up-to-date with the latest trends.

Experience

Software Tester

Al Maaref University

Jun 2023 - Present (4 months)

I worked as an administrative assistant for a year, and I have recently been promoted to a software tester within the IT directorate during this summer semester. In my new role, I am responsible for providing technical support, assisting with IT projects, and contributing to the overall operations of the department.

Administrative Assistant

Al Maaref University

Aug 2022 - Jun 2023 (11 months)

Applied for a work study program at my university, assistant to the student affairs.

Education

Al Maaref University

Bachelor's degree, Computer Science

Sep 2021 - Jul 2024

Experienced computer science professional with a passion for learning and innovation. Constantly staying updated with the latest industry trends and technologies. Committed to lifelong learning and continuously expanding my knowledge in the field of computer science.
