PROFESSIONAL EXPERIENCE

Mastercard Foundation at the American University of Beirut | Beirut, Lebanon

Program Coordinator | October 2023 - Present

- Manage several networks and partnerships with local and international organizations for refugees and international students in Lebanon.
- Work at the front face with Syrian and Palestinian refugees and international scholars to ensure smooth transitions achieving the goals of the Theory of Change.
- Monitor and evaluate the impact of the program on three tiers with regular reporting and data input.
- Plan through and through activities and events on and off campus including workshops, and social and cultural visits.
- Assist in account management through requesting, submitting, and reviewing requisitions for expenditures on Oracle.

Codi Tech in partnership with UNWomen and UNICEF | Beirut, Lebanon

Co-Chief Learning Officer | October 2022 - October 2023

Codi is a free school of programming for women, refugees, and youth who have a passion for digital and want to build a career in technology but cannot pursue a traditional university education. It is the first training center to foster digital and technical skills for the youth in Lebanon.

- Ensure youth gain access to quality education in Lebanon in the current education emergency.
- Manage the horizontal department at the organization which includes overseeing and ensuring work of 4 staff.
- Monitoring and evaluating the effectiveness of the program.
- Writing and presenting reports to donors and partners about the NGO's initiative and progress.
- Plan and coordinate events internally and externally for the NGO.
- Continuous research, maintenance and development of Core curriculum.
- Evaluate students' learning through different types of assessments, assignments, and exercises.
- Lead research and developments (R&D) efforts for new tracks including high-level curriculum.
- Deliver Training of Trainers for all current programmes.

Head of English | June 2022 - October 2022

- Plan and conduct structured lessons for three different groups of language levels.
- Manage two English teachers in the other Codi locations, Tripoli and Zahle, to ensure that all cohorts are well-equipped.
- Structure the Codi English curriculum and align the sessions with the Core program.
- Organize professional workshops for students by coordinating with guest speakers and professionals.

CLEAR Global in partnership with **International Organization for Immigration**

Researcher | Dec 2022 – March 2023

- Participated in a research based in Kenya, Ethiopia, Lebanon, and Tajikistan about the O-Canada application.
- Conducted in-depth interviews with refugees in Lebanon.
- Analyzed data and reported findings to the UX designers.

University of California, Los Angeles | Los Angeles, United States of America

Researcher | Sept 2021 – June 2022

- Conducted research on the language used in the Lebanese schools for Syrian refugee education through interviews with families, children, and professional aid-workers.
- The research is composed of several papers and curriculums about refugees in Lebanon.

Nour International | Burj El Barajneh Camp, Lebanon

Executive Member and Head of Classes | 2015- 2022

- Led a team of over 70 volunteers and teachers to manage and fundraise yearly to run the Nour Center, an informal school for 250 refugees, through organizing events and via fundraising platforms.
- Established educational partnerships with international schools in South Africa, United States, and Germany.
- Monitored and evaluated the programs.
- Set goals and wrote reports weekly, monthly, and bi-annually about the programs done.
- Organized on the ground projects and social media campaigns to raise awareness about the refugee crisis.
- Designed teaching materials, yearly plans, and weekly lesson plans for teachers to abide by.

Save the Children | Beirut, Lebanon

Child Protection Assistant | Oct 2020 – Jul 2021

- Organized and delivered recreational activities for children affected by the Beirut explosion in safe places.
- Implemented psychosocial interventions for children of ages 3 till 18 years old.

United Nations High Commissioner for Refugees

Mentor at the Foreign Language Groups program | Jun 2019 - Nov 2019

- Taught the English language to Syrian refugees to enhance their English linguistic performance.
- Assessed refugees' improvement in the English language through assessments to alter the curriculum.

Mt. Holyoke Alumnae Association Fellowship | Beirut, Lebanon

Research Assistant | July 2018

- Conducted interviews, collected data, and held sessions with refugees at the Burj El Barajneh Camp in Lebanon to highlight refugees' stories through social media campaigns.
- Held professional development meetings with teachers of the Nour Center.
