Hi! I'm Silva Zeayter

SOFTWARE ENGINEERING

sylvazeayter1@gmail.com

https://www.linkedin.com/in/silva-zeayter/

I am a Junior Web Developer graduated from the Lebanese University. Where I stand out, however, is my passion for developing creative websites, learning new technologies, and implementing the optimal solutions. Skilled in PHP Laravel as backend. As frontend I use React Library , HTML5, CSS3 and Javascript.

PERSONAL PROJECTS 01

2023

RESTAURANT RESERVATION WEBSITE

- The website "yummyFood" constituted mainly of four pages: Home (about us, our story, menu for today, feedback), Menus, Categories, and Reservations. In addition to the Admin dashboard constituted of dashboard with tables to add, edit and delete stuffs. This website will help the restaurant become more structured and will make it easier for customers to visit the establishment and make reservations
