rifaiiaya2

Passionate software engineer with a strong educational background and hands-on experience in frontend and mobile development. Proficient in ReactJS, React Native, NextJS, and the MERN stack. Demonstrated success in delivering high-quality software solutions through internships and intensive Boot-camps. Eager to apply my technical expertise and enthusiasm for innovation in a dynamic role within a reputable organization. Committed to contributing to project success and continuously advancing my skills in software engineering.

Experience

Feb- 2024 – May – Hybrid

Internship in Front-End – Web & Mobile/ Eurisko Mobility Company,
