

# MOSTAFA KATAYA

## Software Engineer

 mustafakataya123@icloud.com  +961 76 779 380  Beirut, Lebanon  <https://mostafakatayaportfolio.vercel.app/>  <https://www.linkedin.com/in/mostafa-kataya/>

## EXPERIENCE

### ASP.Net Core Web API Intern

#### IDS-Fintech

 March 2023 – May 2023  Hazmieh

- Designed and implemented RESTful APIs using ASP.NET Core framework, including handling HTTP requests and responses, creating data models, and implementing CRUD operations using Entity Framework Core.
- Microsoft SQL Database.
- Worked with popular tools and technologies commonly used in the development of ASP.NET Core web APIs, such as Visual Studio, Git, and Postman, Swagger
- Gained hands-on experience working on real-world projects and collaborating with other developers.
- Successfully deployed a fully functional ASP.NET Core Web API to a cloud-based platform.
- Participated in team meetings, code reviews, and discussions to ensure the project's success.

### Private Tutor

#### Freelance

 2020 – 2022  online

- Tutored High School Students Coding courses
- Tutored Group of high school students basics of Python, Java and C++.
- Improved Student's Academic performance to score high grades

## PROJECTS

Facial-Expression Detection/VirtualPaint App/hand-gesture detection

Using Python

Restaurant Website/Find Movie Application

Using React

AdventureWorksdatabaseAPI/PokemondatabaseAPI

Using ASP.NET CORE WEB API

CodexAI Chat

Using Javascript

E-commerce website

Using PHP/LARAVEL

Airline System/ATM System

Using Java

 With GUI

University System

Using C++

## LANGUAGES

Arabic 

English 

French 

## TECHNICAL SKILLS

Java Spring Boot ASP.NetCore WebAPI  
HTML, CSS, JavaScript React PHP Laravel  
JQuery Python C++ Csharp Matlab Git  
MySQL PL/SQL MSSQL Software Design  
Kali Linux Ubuntu Assembly  
Blockchain, Smart Contracts, Solidity Artificial Intelligence AI  
Machine Learning Deep Learning

Critical thinking and problem solving  
Teamwork and collaboration  
Oral and written communications skills  
ability to prioritize tasks effectively  
commitment to meet project deadlines  
Leadership

## EDUCATION

Bachelor degree in Software Engineering

Antonine University

 Sept 2020 – June 2025

## CERTIFICATES

Programming for Everybody

University of Michigan

Introduction to Cybersecurity

Cisco Networking Academy

CCNAv7: Switching, Routing and Wireless Essentials

Cisco Networking Academy

Scaling and connecting networks

Cisco Networking Academy

CCNAv7: Introduction to Networks

Cisco Networking Academy

Cybersecurity Essentials

Cisco Networking Academy

NSE1 Network Security Association

Fortinet

PCAP - Programming Essentials in Python
