WORK EXPERIENCE

01/06/2024 – 01/09/2024
WEB DEVELOPER INTERNSHIP ALPHA TECH GROUP

- Developed VOD applications for Smart TVs, gaining hands-on experience with spatial navigation and understanding the intricacies of smart TV functionality.
- Participated in the development of high-traffic news media websites, achieving scalability and robustness to handle hundreds of thousands of monthly visitors.
- Transformed the development environment into a mono-repo framework, streamlining the process by automating repetitive tasks, documenting code, and encapsulating reusable components.
- Modernized the company's legacy CMS structure using contemporary technologies and methodologies, ensuring seamless client experience and improved system architecture.

01/01/2024 – 15/04/2024
FREELANCE WEB DEVELOPER BINEAST

- Developed a fully functional online academy platform, featuring a user-friendly interface that allows students to easily access courses and track their progress.
- Implemented a premium subscription plan, granting access to exclusive content and courses.
- Designed and developed an admin dashboard with role-based access control, providing a personalized experience for instructors and administrators.
- Enabled management of users and their roles, course and video uploads, and comprehensive tracking of website analytics through the dashboard.
- Ensured a seamless user experience and robust backend functionality to support both learners and educators efficiently.
