EXPERIENCE

Mentee | Codi Tech | Tripoli, Lebanon   *November 2022 - May 2023*

Full-stack Web Development Programme

- Worked as a part of a cross-functional team to develop and maintain web applications, using technologies such as React, Node.js, and MongoDB.
- Developed presentation skills by presenting technical solutions and progress updates to stakeholders in regular team meetings.
- Gained English skills and soft skills such as time management and leadership.
- Participated in all phases of the software development life cycle, including requirements gathering, design, development, testing, and deployment.

Sales Associate | Hexagon | Tripoli   *May 2016 - April 2018*

- Successfully assisted customers in selecting the perfect size, color, and style of clothing to meet their individual needs.
- Achieved 100% accuracy in processing both cash and credit card transactions, while also ensuring the cash register was organized and tidy at all times.
- Kept the store's shelves fully stocked and maintained a clean and organized sales floor, contributing to an attractive and welcoming store appearance.
